Dear Worthy Grand Knight,

First of all, congratulations on your election/re-election to lead your council during the next fraternal year. As a member of the State Family, let me assure you that you have the best wishes for a most successful tenure.

I would like to offer you the opportunity to ease your work load, at least in a little way. As the Newman Chairman for the State, I would like to request that you appoint a Council Newman Chairman. This person would be responsible for keeping track of your council's Newman goal, motivating your member's participation in the program, and presenting any Newman news that I or the State send out. This person would also be the liaison between your council and the State regarding any issues such as plaques, pins, etc.

Below, you will find an information space for your selected Council Chairman. Please fill it out and return it to me at the address above.

Again, congratulations on your new position.

Vivat Jesus,

Jim Coglianese
