Those Who Serve – This important training is offered to assist Council Officers and Directors in understanding their responsibilities and how important they are to the success of the Council.

Strategic Planning – This training will help your Council plan for a successful year, meeting all goals and expectations and culminating in achieving the Star Council award. This session will include budgeting as a necessary part of planning and will explain how your Council can win the gold in the Spirit of Illinois program.

Council Meetings – The do's and don'ts of running a successful Council meeting. How to control those long winded discussions, how to maintain order and how to stay on task. You'll learn how to conduct all of your Council's business in an hour or less!

The Academy is open to all Council Officers, Directors, and other leaders in your council. This is a great opportunity to help your up and coming leaders get the knowledge they need to be successful.

Council 8713 has also promised a tour of the Newman Center.
