**St. Irene Church Council # 6710
28W Warrenville Road
Warrenville, Illinois**

Financial Controls – This important training is again offered to assist your new officers and directors in understanding how finances are handled in your council. This is a worthwhile session for new and veteran officers alike.

Council Program Sharing Session – Every council should come prepared to share and discuss with the group a successful event or program in your council. It could be an annual event or a one-time effort. No need to prepare any materials - just be able to explain what you did, how it came together, and any lessons you learned from the experience.

The Academy is open to all Council Officers, Directors, and other leaders in your council. This is a great opportunity to help your up and coming leaders what they need to know to be successful.

**Questions should be directed to KC Academy Director Frank Schwartz Jr
