

# Celebrate Family Life Activities

A family is made up of Knights and Squires; it's wives, children, siblings and grandparents; it's widows and family members of Knights who have died; it's nonmembers, prospects, priests, religious, parishioners, friends and anyone else in your community!

Supreme sets aside August 7 – 15, 2010 as Family Week. Celebrate family by holding one or more activities in your parish. Your council can fulfill requirements for the Spirit of Illinois honors, as well as your Form SP-7 for the Columbian Award.
